INFERNAL MACHINE

Thirteen Men Killed in an Explosion at the Railroad Station, Independence, Col.

SEVEN OTHERS SERIOUSLY HURT.

All the Victims Except Two Were Non-Union Miners Employed at the Findlay Mine.

Rioting Broke Out in Victor, Col.—Forty Shots Fired into a Crowd and One Man Was Killed and Others Wounded.

Cripple Creek, June 7.—Thirteen men were killed by the explosion of an infernal machine at the railroad station in Independence Monday, and seven others were seriously injured. Eleven were killed outright and two died later from wounds. All the killed and injured, with the exception of two men from the Deadwood mine, were non-union miners employed on the night shift of the Findlay mine. The men had quit work at 2 a. m. and were waiting to board a suburban train on the Florence & Cripple Creek railroad and return to their homes in Cripple Creek and Victor. Just after the engineer of the approaching train blew his whistle, as a signal to the miners, according to custom, a terrific explosion occurred underneath the station platform, on and near which 26 men were gathered. The platform was blown into splinters, the station was wrecked and a hole 20 feet in circumference and about as many feet in depth was torn in the ground. Fragments of bodies were hurled through space for several hundred feet and later were picked up still quivering.

Bodies Blown to Pieces.
Some of the bodies dropped into the pit made by the explosion, but heads, hands, ears, legs, arms and trunks were strewn about on all sides. Pieces of flesh were found on buildings 500 feet away and bloodstained everything within a radius of 50 feet. The force of the explosion was felt throughout the camp and the crash awakened everybody. The approaching train was stopped and the train crew were the first men to reach the scene of the disaster. They were joined in a few minutes by hundreds of persons and relief work was begun at once. A special train was sent from Cripple Creek carrying physicians, nurses, officers and many others, but when it reached Independence the injured had already been placed on board the suburban train and removed to the hospital at Victor. The mangled bodies of the dead, placed together as well as possible, were removed to the coroner's office.

EXPLOSION WAS DEAFENING.
The Earth Seemed to Heave Under the Station Platform.

H. W. Vanatta, one of the Findlay miners, who had a remarkable escape from death, in describing the explosion, said:
"The earth seemed to heave under the platform and station and the noise made was deafening. We had been at the station about two minutes when the explosion occurred. I was thrown through the air about 75 feet. There were about 25 men on the platform and most of them were non-union miners who worked on the Findlay. The Shurtloff shift had not yet reached the station, but was hurrying down the hill. Had these men reached the platform the casualty list would have been doubled. There must have been 300 pounds of powder used, and it must have been set off by an electric spark or a revolver, as the miners would have smelled the fuse if one had been used."

Description of the Infernal Machine.
The infernal machine with which the diabolical work was done consisted of a quantity of dynamite, estimated at 100 to 300 pounds, a loaded revolver and a long slender steel wire attached to the trigger. The revolver was fastened so that the pulling of the trigger would not draw it away. The wire ran from under the station to the cribbing of the Delmonico property, about 400 feet away, where its end was fastened to a rung of a chair. The dynamite was placed close to the muzzle of the revolver which was discharged by pulling the wire when the engineer blew his whistle. The ball from the revolver exploded the dynamite. A man was seen running down the hill from the Delmonico after the explosion.

THE TROOPS ORDERED OUT.
Bloodhounds Will Be Used in Trailing the Assassin.
The Victor troops, who were ordered out by Mayor French, were so station-

ed as to keep people from passing over the path taken by this man and bloodhounds were sent from Canyon City and Trinidad for the purpose of trailing the assassin.

The infernal machine used Monday was similar to the one exploded in the Vindicator on November 21, 1903, killing two men.

By order of Maj. H. A. Naylor, of the national guard, the bodies were removed from the coroner's establishment to another undertakers. This action was taken on request of J. S. Murphy, superintendent of the Findlay mine, because it was alleged that Coroner James Doran had remarked before the discovery of the infernal machine that the death of the men was due to an accident. Later Coroner Doran explained that, although he had spoken of the disaster as "an awful accident," he was convinced that a terrible crime had been committed.

Sheriff Robertson Resigns His Office.
Cripple Creek, Col., June 7.—Without explanation and with a suddenness that has caused great surprise, Sheriff Henry M. Robertson Monday afternoon resigned his position and Edward Bell was named to succeed him by the county commissioners. Bell is a member of the Citizens' Alliance.

City Marshal O'Connell, of Victor, has sworn in a large number of special policemen who are patrolling the streets with shotguns. Many union men have armed themselves and say they will resist with violence any attempt to run them out of town, as is proposed. Detectives have been engaged to shadow the movements of every prominent union leader in the camp.

A squad of soldiers under the command of Maj. H. A. Naylor Monday afternoon notified all hardware and gun stores in Victor not to sell any firearms or ammunition without an order from him or the police authorities and then to take the name and description of the purchaser. The demand will be complied with.

A RIOT AT VICTOR, COL.
A Mass Meeting Broke Up in a Free-For-All Fight.

Victor, Col., June 7.—Rioting broke out in this city Monday afternoon while a mass meeting was being held to discuss the murder of 12 non-union miners by means of an infernal machine at Independence. Forty shots were fired into the crowd in the street.

One man was killed and six persons, at least, injured.

Secretary Clarence C. Hamlin, of the Mine Owners' association, concluding a short address, said: "I want to hear what the boys in the mines have got to say about this trouble." William Hoskins, a union miner from Goldfield, threw up his hands and shouted: "Let me talk." At this the crowd began to hiss Hoskins and cry, "Put him out." A free-for-all fight followed and shooting began. Most of the shots were directed skyward. Hoskins fell with a bullet in his body, and the crowd scattered in every direction.

Innocent Spectator Killed.
Secretary Hamlin, who had been standing on a wagon, kept talking, unmindful of the hail storm of bullets that whizzed about his head. After the first excitement had somewhat cleared away the injured and dying were gathered up. R. W. McGee, of Victor, who was instantly killed, had been standing on an embankment 30 feet above the men who had been fighting and was an innocent spectator.

An eye-witness said of the shooting: "I saw them carry three men away, one shot through the head and another through the arm. I think that more than five were shot."

A pitched battle is looked for at any moment. There are 5,000 men on the streets and union men are arming themselves and lined up on the corners of Fourth and Victor avenues.

PRESIDENT APPEALED TO.
Citizens of Telluride, Col., Appeal For Protection.

Telluride, Col., June 7.—O. A. Floaten, one of the proprietors of the People's supply store; M. J. Sullivan, secretary of the local miners' union, and Tony Roll, a bartender, who have been advised by the military authorities to leave San Miguel county, have retained Congressman H. H. Hogg as counsel and acting under his advice have decided to remain here until forced to leave. The following telegram has been sent to President Roosevelt at Washington to which no reply as yet has been received:

"Have been ordered to leave our homes by June 7, but do not intend to go. We, as citizens of the United States, demand your protection under the constitutional rights. The civil courts would protect us, but they are powerless. The governor will not protect us. O. A. Floaten, M. J. Sullivan." Denver, Col., June 7.—The Western Federation of Miners will investigate the dynamite outrage at Cripple Creek. At the session of the federation's convention Monday a committee

consisting of C. C. Mitchell, of South Dakota; C. Mahoney, of Montana, and Harry L. Lane, of Nevada, was appointed to go to Cripple Creek district and make a thorough investigation of the affair and to spare no one in its report.

A REIGN OF TERROR.
Armed Men Throng the Streets in Cripple Creek Mining Districts.

Denver, June 7.—A reign of terror, brought on by a diabolical dynamiting plot, followed by rioting and an assault upon the militia, existed in the Cripple Creek mining district Monday night. Armed men thronged the streets and conflicts are of hourly occurrence. Militiamen are marching hither and thither, making arrests by the wholesale. A number of union miners have been placed in the military bull pen, and others are being gathered in at frequent intervals. City and county officials have been compelled to resign their offices because of their reputed sympathy. As near as can be estimated Monday night 15 are dead and a score or more injured as a result of the events leading up to the conditions above described.

Union Men Wounded.
At Victor a company of military was marching past union headquarters, pursuing their search for union miners; they were fired upon, according to reports, from men concealed in union hall. The soldiers stormed the building, and from last accounts at least four unionists were badly wounded. The remainder fled precipitately, blood streaming from the wounds of the injured. The soldiers, who were unhurt, pursued and arrested a number of the fleeing men and continued far into the night to scour the country in search of men supposed to have been in union hall at the time of the assault.

Sheriff Bell Reported Killed.
Colorado Springs, Col., June 7.—A special from Victor says Sheriff Bell has sworn in over 300 deputies. At midnight over 100 arrests have been made.

Victor, Col., June 7.—A persistent rumor is current here to the effect that Sheriff Bell was shot and killed Monday night.

GOV. JAMES H. PEABODY.

Will Leave St. Louis, Where He Has Been Visiting the Fair For Colorado.

St. Louis, June 7.—Gov. James H. Peabody, of Colorado, will leave here for home Tuesday afternoon. He received a number of telegrams from his private secretary.

One of the telegrams opened by the governor read:
"Gabbert and Campbell (chief justices) say you have right to decide when peace is interfered with, and courts should not interfere with you. That you have power to kill and imprison. Habeas corpus or martial law not mentioned in opinion."
"You see!" exclaimed the governor after reading this telegram, "the supreme court sustains me and those fellows are taking an iconoclastic view of things. They realize now they are beaten, and their only hope is in intimidating the men who are willing to work."

'INSANE MAN'S DEED.

Killed Three of His Children and Then Committed Suicide.

Roselle, N. J., June 7.—After killing three of his children and wounding a fourth, Joseph M. Pouch, at one time an undertaker, shot himself through the head Monday and died in a few moments. Pouch lived in a little cottage with his four children. Sunday he shot two of them and embalmed their bodies. He took the other two to an upper room with him. Meanwhile he had mailed a warning to County Physician Wescott, who, upon receiving the letter, notified the police. When the officials knocked at the door of the Pouch cottage Monday, Pouch shot and killed his little daughter and wounded his sole remaining son. He then shot himself and died as the police forced an entrance. The boy will recover. Pouch was believed to have been insane.

A TRIPLE TRAGEDY.

John Johnson Killed His Wife, Brother-in-Law and Himself.

Evansville, Ind., June 7.—John Robinson, a fisherman at Maumee, Ill., 27 miles from this city, Monday shot and killed his wife, then turned the pistol on his brother-in-law, Shelby Atterbury, a farmer, killing him almost instantly. Robinson then shot himself in the temple. The men had been drinking heavily all day. Jealousy is supposed to have prompted the deed.

Washington, June 7.—Fourth Assistant Postmaster General Bristow Monday announced that the salaries of the rural free delivery mail carriers will be adjusted on the basis of the number of miles traveled.

HIS BROKEN ARM.
It Did Not Deter Weissinger From Meeting in a Business Engagement.

Louisville, Ky., June 7.—Harry Weissinger, prospective candidate for United States senator, fell from his carriage at Shelbyville Monday morning and his left arm was broken. Mr. Weissinger had a business engagement in Louisville and boarded a train without waiting for medical attention. The injury was attended to here and Mr. Weissinger returned to his country home near Shelbyville, where he will remain until he recovers.

HEATON'S DEAD BODY.
It Arrived Shortly After a Letter He Had Written.

Louisville, Ky., June 7.—Mrs. Elizabeth Heaton, of 1215 Payne street, received a letter from Washington, D. C., from her husband, John Heaton, shortly after 10 o'clock Monday morning that he would be home Monday. An hour later his body arrived by express. Heaton met death Saturday by falling from a fire escape he was constructing at the public school in Washington for the Bow Wire Co. of this city. He was 34 years old.

Big Mortgage Executed.
Lexington, Ky., June 7.—The Lexington Hydraulic & Manufacturing Co., of this city, executed a chattel mortgage upon its property to the American Loan & Trust Co., of Boston, Mass., for \$500,000. The mortgage is to secure as lease of five per cent. bonds, the money to be devoted to an extension of the water works plant.

Ballplayers Start South.
Newport, Ky., June 7.—William "Gene" Lewis, a young ballplayer of this city, left Monday for Huntsville, Ala., where he has signed to play shortstop for a team in that city the balance of the season. Joe Matthews started for Chattanooga, Tenn., where he has signed to play center field for a local club in that city.

He Declines the Call.
Louisville, Ky., June 7.—Rev. Dr. John G. Murray, rector of St. Michael's and All Angels' Episcopal church of Baltimore, has declined the bishopric of Kentucky, tendered him by the diocese, and gives as his reason that he believes his duty calls him to remain in Baltimore.

A Large Docket.
Lexington, Ky., June 6.—The June criminal term of the Fayette county court began here Tuesday morning, with 114 cases on the docket. Of these five are murder cases, 62 investment company embezzlement cases, and 47 others, including felonies and misdemeanors.

A Victim of Pneumonia.
Cadiz, Ky., June 7.—Jefferson Davis Smith, a prominent farmer and county politician, died at his home near Fenton, this county, of pneumonia, after an illness of only a few days. He was a brother of Denny P. Smith, commonwealth's attorney of this district.

Elevator Assured.
Covington, Ky., June 7.—For ten years government officials have been trying to have an elevator placed in the federal building. Revenue Collector George Lieberth was notified by the officials in Washington Monday that an elevator would be installed.

A Scarcity of Crates.
Louisville, Ky., June 7.—On account of the scarcity of crates strawberry shipping from Louisville, which has been something enormous, probably will collapse. The season is at its height, and the crop is the most abundant ever known.

Big Damage Claim Settled.
Newport, Ky., June 7.—The case of Dr. L. C. Wadsworth against the South Covington & Cincinnati Street Railway Co. for \$20,000 damages for personal injuries sustained was compromised in the circuit court. Terms not made known.

Colored Jockey Won Derby.
Louisville, Ky., June 7.—A cablegram was received here Monday afternoon by Richard E. Miller from Jimmy Winkfield, the noted colored Kentucky jockey, in which it was stated that Winkfield had just won the Warsaw Derby.

Two Cases of Smallpox.
Versailles, Ky., June 7.—Two men claiming to come from High Bridge, Jessamine county, arrived here Sunday morning. They called on Dr. Parker, informing him that they were sick. He soon discovered they had smallpox.

Proved Himself a Hero.
Louisville, Ky., June 7.—John Eckert, 14, proved himself a hero by rescuing Joseph Brenger, who had jumped in Breslin's pond, near the workhouse, to save John Wellenbrock, who was attacked by cramps and drowned.

ON THE PENINSULA

Military Interest is Now Centered Upon the Region of Imminent Operations.

HEALTH OF THE TROOPS IS GOOD.

The Russian Squadron Sunk Two Japanese Torpedo Boats and a Battleship at Port Arthur.

There Was Heavy Firing at Port Arthur Monday Night Which Was Continued For Several Hours—All Quiet at Dally.

Liao Yang, June 7.—Military interest is now centered upon the region of imminent operations—the Liao Tung peninsula. Another Japanese army is landing on the eastern coast as a counterweight to the Russian advance from Dashiatsiao southward upon Gen. Oku's army. The Japanese have seemingly given up the idea of attacking Liao Yang, if they entertained such a plan. The rainy season which is expected to begin in two or three weeks would, it is considered here, render an advance to Liao Yang impossible. Meanwhile the Cossacks are keeping in touch with the Japanese outposts.

Another force is watching Gen. Kuroki's right wing north of the Yalu river.

The health of the troops is remarkable everywhere. They are no contagious diseases and only a few cases of intestinal disorders, but medical authorities do not expect such immunity during the hot weather that is now beginning. The health of the troops is not attributed so much to sanitary precautions as to the simple but excellent diet. The Russians live principally on bread made of coarse flour and soup composed of meat and vegetables. They seldom drink ordinary water, thereby avoiding a principal source of disease.

Paris, June 7.—The St. Petersburg correspondent of the Matin says that a naval officer repeats the story already in circulation at Liao Yang that the Russian squadron at Port Arthur has made a sortie and sunk two Japanese torpedo boats and a battleship of the Shikishima type.

Che Foo, June 7.—A press correspondent at Teng Chow cables that there was firing at Port Arthur Monday night, beginning at 11:30 o'clock and continuing for several hours. A junk arriving during the night from Dally reports that there was heavy firing all day Monday in the vicinity of Port Arthur. When the junk left Dally Monday morning all was quiet there. The arrivals of the junk deny the story of the sinking of the Japanese ship off Tallenwan.

There is no denying the fact that many of the Government departments at Washington City need a thorough cleaning out. Some of the corruption has already been exposed, and recently Thomas A. Edison, the great electrician, called attention of President Roosevelt, in an open letter, to the abuses existing under his administration in the patent office. He has been at work for several years on a storage battery and finds vexatious delays occurring at all points. An investigation made by him discloses that after he has filed specifications for a patent, information of his ideas is furnished to other inventors who are permitted to amend their applications so as to cover his ground. A man like Thomas A. Edison is not likely to make rash statements. If they would dare interfere with his rights what do you suppose they would do to a poorer and less prominent applicant? asks the Georgetown News-Democrat.

THE VORACIOUS BEEF TRUST.

The packers' combine has such complete control of the cattle, hog and beef markets that it laughs at injunctions and does not seem to fear other legal proceedings the administration might invoke. If President Roosevelt would instruct his Attorney General to proceed against the individual members of the combine under the criminal section of the anti-trust law it is probable, says an exchange, that their hilarity would soon cease and they would be suing for peace. One trust magnate behind the bars would have a restraining effect upon the whole brood.

The alliance between the packers' combine and the railroads has been notorious and no one has been able to compete with them for that reason alone, as it gives them a virtual monopoly of transportation and markets. The Interstate Commerce Commission has asked for power to prevent and punish discriminations and the paying of rebates to favored shippers, but neither the President nor Republican majority of Congress have seemed anxious or willing to punish railroad or trust.

The farmers and the beef consumers are both vitally interested in the beef monopoly and as Chairman Babcock says, the farmers, through reading the daily newspapers, have become so "intelligent" that they keep Congressman busy asking questions on matters of public interest. It might pay the farmers, and the beef consumers as well, to make especial inquiries why the beef combine is not prosecuted under the criminal section, and why the railroads are allowed to discriminate in favor of the few and against the many. These discriminations by the railroads and the monopoly of the cattle and hog and beef market have continued for years and the farmers and their consumers in the city have quietly submitted to promises of reform, but instead of relief the system has grown from bad to worse.

The Democrats in Congress proposed several bills, and amendments to others, that would have had the effect of defeating monopolies, but the Republican majority refused to consider any measure that would strike at the root of the evil. They were too anxious to follow the orders of President Roosevelt to pass the appropriation bills and go home.

Mr. Harrison Green, an old citizen of Maysville, died Monday morning at his home in California, O. Several grown children survive him. His remains will be taken to Plumville Wednesday morning where they will be interred in the old family burial ground.

Hawley and Leslie will give a song and dance sketch in the Williams & Weis Amusement Co. entertainment at opera house this evening. These gifted people have played at the Columbia, Cincinnati; Keith's, Boston, and in Philadelphia, New York and other leading vaudeville houses all over the country. Miss Leslie is a Maysvillian.

The announcement that Rev. E. L. Powell is to deliver the address at the High School commencement next Thursday evening is received with great pleasure by the many who know him. Mr. Powell spent several years in Maysville and was one of the most popular pastors who ever lived here. He is among the most eloquent and brilliant orators of the South, and the people of his old home will take advantage of this opportunity to hear him Thursday evening on "Citizenship in the Republic."

Messrs. Ball, Pearce and Cochran appeared on behalf of the proposed Continental tobacco plant in the Sixth ward. Mr. Ball stated that the subscriptions to the stock now amount to about \$35,000, and the plant was assured if the city would put in the proposed sewer from Wood street to Commerce or Bank and granted the customary five years exemption of taxes. The plans for the buildings have been approved and the company is anxious to begin work as soon as possible. Mr. Ball said he had assurances that this plant would lead to the establishment of a stemmy in near future. The company would put in \$20,000 worth of machinery as soon as building is finished. A resolution was unanimously adopted that it was the sense of Council that the proposed sewer be constructed at a cost of not exceeding \$12,000, and an election was ordered for June 28th to take the sense of the qualified voters as to whether said indebtedness shall be incurred. A special registration was ordered for June 21st. It is thought the sewer will cost about \$10,000.

Louis T. Goepke was granted permission to construct a private sewer from corner of Second and Poplar street along Poplar to low water mark on Ohio river.

The Board of Education was authorized to borrow \$1,200 to meet current expenses. Mr. Ficklin and others were decidedly in favor of requiring the board to report to Council what is done with the school funds hereafter.

The Second M. E. Church, South, and Y. M. C. A. were refunded license for entertainments,—\$3 each.

The following assessments of omitted property were ordered: Carrie and Jesse H. Calvert, \$2,600, taxes and penalty \$35 75; D. D. Pickett, administrator of T. J. Pickett, \$2,200, taxes \$30.25; C. L. Sallee, attorney for Mrs. Mary V. Wilson, \$2,475, taxes, &c. \$34 02. Mr. O'Donnell was allowed his commission on these collections—\$20.

The Redmen were granted the use of Wall street, in addition to streets already granted, for the carnival.

Gable Bros. were granted permission to erect a pulley at foot of Short street to assist in handling coal. The carts are to be drawn to top of grade by machinery.

Mr. Lee made a motion that the city pay the judgment against ex-Policeman M. B. Easton for damages for false arrest and imprisonment. The Mayor declared the motion out of order. Mr. Short appealed from the decision, but Council sustained the Chair.

The Treasurer was ordered to advertise the delinquent taxes at once.

The bids for heating apparatus at city alms house were not opened, action being postponed until county decides on question of new infirmary.

The Bank of Maysville's assessment was placed at \$68,668, and the city assessment was then accepted.

The levy as recommended by Ways and Means Committee and as heretofore published was made.

City Assessor Stewart was allowed his salary of \$250.

The Redmen's Carnival Committee presented an invitation to the city officials and members of Council to participate in the parade June 16th. Accepted.

The Board of Education presented a statement of the estimated receipts and disbursements by the board for school year of 1904-'05, as follows: Receipts, \$8,300; disbursements, \$18,630. Of the estimated disbursements, \$13,800 was under head of teachers' salaries.

A license of \$30 a year on express companies was repealed. In consideration of this, the Adams Express Company paid back taxes of \$105 and agrees to hereafter pay taxes on its tangible property and franchise. The license tax has never been paid.

A similar agreement was effected with the Western Union Telegraph Company, the company paying \$39 back taxes.

The sum of \$211 93 was accepted in settlement of the franchise tax due from Maysville Street Railway Company for year 1903.

By a rising vote, Council tendered the City Attorney a vote of thanks for his work in recapitulating the Assessor's books.

G. Hunsicker was granted permit to erect a frame stable on Union street; J. D. Hancock to erect a kitchen to his residence on Third, remove a building and build a coal house and wash house; Harvey Chambers to erect a frame shed.

Louis T. Goepke was granted permit to build coal elevators on site of the Collins & Rudy planing mill, and also a frame stable near by.

You Never Know the Moment When This Information May Prove of Infinite Value.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itches of the skin, for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gabby of 925 East Second street says: "For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment and I bought a box at J. Jas. Wood & Son's drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure."

Handkerchiefs!

The way handkerchiefs are lost, stolen, borrowed, or torn in the laundry, produces an unceasing demand for new supplies. Our big sales reflect this steady demand and our consequent large purchases make our prices always below the average.

Men's Hemstitched Handkerchiefs, perfect goods, pure linen, hand drawn hem 15c.—six for 75c.

Women's Hemstitched Handkerchiefs, all widths of hem, every thread linen, 10c.

Women's Initial Handkerchiefs, pure linen, small openwork initial, 10c.

A HAPPY MOTHER
 WEATHERFORD, TEXAS.
 May 14, 1903.
 Before my baby was born I was in great misery. I was just able to be about but just as soon as I began to take Wine of Cardui, which had been recommended to me, I felt much better. In fact I feel that if it had not been for this medicine I would not have been strong enough to live through childbirth. But that was made comparatively easy by taking your medicine for four months before baby came. Wine of Cardui restored my health as I took it two months afterward. I cannot speak too highly of Wine of Cardui and I am glad to endorse it.
Mrs. C. C. Wood
 TREASURER, YOUNG MATRONS CLUB.
 Wine of Cardui is a powerful tonic which acts on the generative organs of women, regulating menstruation and giving tone and strength to the organs which inflammation and weakness have affected. It cures nineteen out of every twenty cases of bearing-down pains or ovarian trouble. Wine of Cardui cures barrenness and aids the mother in conserving her strength for the ordeal of childbirth. After that event the Wine prevents dangerous flooding and helps mothers to quick recovery. Wine of Cardui is the one medicine a mother should use before and after childbirth.
 All druggists sell \$1.00 bottles Wine of Cardui.

At the all-day commencement exercises of the High School Thursday, no floral gifts to graduates will be received on the stage during the day, but will be permitted at night.

The will of the late Susan I. Walton was admitted to record in the County Court Monday. Jos. F. Walton, named as executor, qualified, without bond as requested. The personal estate is to be divided equally between her three children. Two-thirds of the real estate is bequeathed to her daughter Mrs. Belle W. Burdette and the remaining third to her son Jos. F. Walton in trust for his wife and children.

The will of the late Samuel Easton was admitted to record Monday. He bequeathed his estate to his wife and daughter, Miss Bettie, share and share alike. The wife's portion shall be for and during her life and at her death it is to go to the daughter. If his wife survives her daughter, then she is to have the latter's portion for life, and at her death the estate is to go to their two sons, equally and jointly.

Mrs. Princess Long of Lexington sang three solos at the Christian Church Sunday morning and a like number at the Children's Day service, and no singer who ever visited Maysville more completely captivated those fortunate enough to hear her. Mrs. Long was educated for grand opera, but she prefers to devote her life to singing the Gospel of Christ. Her selections Sunday afforded a rare feast of sacred music. Possessed of a most gracious spirit and charming manner, she won a warm place in the hearts of all.

HAYSWOOD.

Annual Commencement Most Brilliant and Successful in History of the School.

Three Young Ladies Awarded Diplomas. Rev. Dr. McEwan's Address—Commencement Followed by Pleasant Reception to the Class.

The auditorium of the First Presbyterian Church was crowded to its utmost capacity last evening to witness one of the most brilliant and successful commencements in the history of the school. Flowers, sweet girl graduates, music, an interested and brilliant audience all attested the popularity of this institution.

Three young ladies received the seal of approval of the faculty; one young lady was awarded a musical diploma and to Miss Eda Biggers was given the medal for not having missed a single day during the school year.

An added pleasure was the presence of Dr. McEwan of Pittsburg who in a most happy, admirable and direct way drove home the points suggested in the essays and with a few pleasing remarks delivered the diplomas to the graduates.

The program follows:

INVOCATION.
Quartette—Semiramis.....Rossini
Misses Archdeacon, Morgan, Yancey, Worthington.
Piano Solo—Arabesque.....Andree
Miss Fattie Carr.
Essay—Our 20th Century Maiden.....
.....Miss Scotta Worthington
Piano Solo—The Trout.....Schubert
Miss Bessie Morgan.
Essay—Silent Teachers.....Miss Edith Davis
Song—Ernani (Violin Obligato, Miss Archdeacon).....Verdi
Miss Nellie Clark.
Essay—One To-day is Worth Two To-morrows.....Miss Amy Calhoun
a. March in D flat.....Hollander
Piano Solo—b. Moonlight Ball to the Isle of Love.....Benedict
Miss Ethel Tucker.
Delivery of Diplomas and Awards.....
.....Rev. Wm. R. McEwan, D. D.
Piano Solo—La Campanella.....Liszt
Miss Frances Harbour.
 Benediction.

The high character of the education imparted by this institution was evidenced by the exercises last evening and the entertainments of the past few days closed with a brilliant reception given to the class. This was attended by over a hundred of the patrons and friends who gathered to give their congratulations to those who finished their course of study, and to the teachers of Hayswood and their guest, Dr. Wm. L. McEwan.

Remember the entertainment at the opera house to-night for the benefit of Washington Fire Company. A very pleasing program has been arranged and will include a series of moving pictures depicting interesting scenes, illustrated songs and polite vaudeville. Hawley and Leslie, (Miss Leslie being a Mayevillian) who are summering here, will be seen in several pleasing specialties. Go to-night and you will be well entertained. The object is a worthy one, and the prices 10, 25 and 35 cents.

Pianos used at Hayswood commencement are furnished by Gerbrich.

Assignee's Sale

IN RE. Assignment of Timothy Buckley. Pursuant to an order of the Mason Circuit Court, entered May 11th, 1904, I will on

Saturday, June 11, 1904,

at 2 o'clock p. m., on the premises, proceed to sell at public auction, to the highest and best bidder, on a credit of six and twelve months, the following real property, to-wit:

First—A tract of 52 acres, 2 roads and 31 poles of land, bought of Patrick Maher and Robert Stevenson et. als., by deeds recorded in Deed Book 80, page 240 and 582 respectively.

Second—A tract of 50 acres, 2 roads and 5 poles of land, bought of Jos. D. Wood et. als., by deed recorded in Deed Book 80, page 581, Mason County Court Clerk's Office, said two tracts adjoin each other and are located on Stevenson's branch, in Murphysville precinct, Mason County, Kentucky, and are surrounded by the lands of Ed. Morgan and Bridget Morgan on the east, Ed. Hunter on the north, Dan Maher on the south and Will Stevenson and Jim. Tarleton on the west.

Third—Also a tract of 23 acres, 3 roads and 16 poles of land, in Murphysville precinct, Mason County, Kentucky, adjoining the homestead of Timothy Buckley, being same tract purchased of Daniel Maher and wife, by deed recorded in Deed Book 88, page 325, Mason County Court Clerk's Records, and binds upon the lands of Jim Morgan, Pat Tierney, W. F. Guilfoyle and John Rhoades.

TERMS—The purchaser must give bond, with good personal security, bearing 6 per cent. interest and a lien will be retained on the property sold, but the purchaser has the privilege of paying cash. The first two named tracts shall be offered separately and as a whole, and sold whichever way will produce the most money.

Liquid Veneer

Makes old things new. Liquid Veneer will put a brilliant, elastic and transparent finish on any article of wood or metal that has a vanished, japanned or enameled surface, renewing and increasing its original brilliancy and newness without labor.

Liquid Veneer

is a new discovery and is marvelously efficient. It can be simply and easily applied with a soft cloth, as explained in the directions. It is adapted to the finest surfaces, such as pianos and highly finished woodwork, making them glisten like new and leaving no streaks or roughness. For hard wood floors it is a marvel. By simply passing a cloth moistened with Liquid Veneer over them the transformation is wonderful and they instantly acquire a beautiful, glistening appearance of newness and cleanness. Liquid Veneer cleans, disinfects and veneers at the same time. Price 50 cents a bottle. For sale by

The shows are the best that can be procured. Three bands will furnish the music.

Taylor at "Ingian" has had a price set upon his head and is to-day a fugitive and wanderer upon earth on account of complicity in the assassination of William Goebel. That he has the blood of this man upon his hands, it's probable there isn't a man in the Commonwealth doubts. It's likely there isn't a man in Kentucky that would rest under the imputation that Taylor does were he innocent of any criminality, as this man claims to be.

Now, Taylor at Washington sets the price on sugar and coffee, and will sell granulated sugar at 5c. and package coffee at 11c.

THIS OUGHT TO CONVINCE.

J. J. Wood & Son Will Pay For Hyomei Themselves When It Fails to Cure Catarrh.

"If I only knew it to be true, I would not hesitate a moment." This is a thought the average person has when reading the claims of some of the medicines that are advertised as cures for catarrh.

The results from the use of Hyomei are so remarkable in the cure of catarrh, that they seem beyond belief. The fact, though, that J. J. Wood & Son, one of the best-known druggists in this section, have so much confidence in the power of Hyomei to cure catarrh that they sell it under their personal guarantee to refund the money if the purchasers can say that it did not help them, ought to convince the most skeptical that Hyomei can be relied upon to cure all catarrhal troubles, no matter how serious or deep-seated.

The complete Hyomei outfit, consisting of a neat inhaler that can be carried in the purse or pocket, a medicine-dropper, and a bottle of Hyomei, costs only one dollar. Additional bottles of Hyomei can be procured for fifty cents, making it the most economical of treatments.

Catarrhal colds, which are so common at this season of the year, have been cured in a day. Mild cases of catarrh that have become chronic are frequently cured in a week or ten days. Now is the time to begin the use of Hyomei, remembering that J. J. Wood & Son sell every package on a positive guarantee to refund the money if it fails to cure.
